\$80.00/month
Unlimited
Classes

All classes are directly supervised and taught by a Certified Strength and Conditioning Specialist. Our small group classes allows us to give personal attention to each individual. We focus on the importance of Mind, **BODY** and Spirit to develop a healthy & intelligent child. It is an exciting, systematic and dynamic conditioning program that is adapted to meet the needs of all ages. We pay careful consideration to age, youth development and maturity to provide a safe, fun and motivating training environment.
